

FocusON Mobile Order and Mobile Payment Solution

As a growing business, Focus POS understands that you can't always be tethered to your POS terminal. Now, you can take orders and process transactions on-the-go with the FocusON mobile app. FocusON goes beyond mobile POS to make you even more mobile.

With the FocusON app, we've placed the power in your hands to take your business anywhere—from the patio, to the concession booth, to the street vendor. Using cellular, you can ring up orders and take payments no matter where you are, without the need for Wi-Fi connection. Simply open the FocusON mobile app and go. Focus is always with you when you need it most.

TAKE ORDERS ON-THE-FLY

With FocusON, the ordering process is quick and efficient. Take orders and process transactions whenever and wherever you need.

TAKE PAYMENTS ANYWHERE

Using optional 4G cellular, FocusON allows you to leverage your mobile device to take payments even without a Wi-Fi connection.

ENSURE DATA SECURITY WITH P2PE EMV CERTIFIED SOLUTION

The FocusON app is a Point to Point Encrypted EMV-certified solution, so you can process secure chip payments and keep customer data protected.

EMAIL CUSTOMER RECEIPTS

Eliminate paper waste, reduce paper costs, and create a greener, more sustainable space by using FocusON to email your customers a copy of their receipt.

CAPTURE CUSTOMER FEEDBACK

Yelp has changed the way guests choose where to eat. Improve your customer experience and reduce the amount of poor online reviews with FocusON. FocusON prompts customers to rate their visit, giving you invaluable feedback for improving your customer experience.
